WORK EXPERIENCE

AMGEN EUROPE B.V. - Netherlands, Breda

Associate Supply Chain

[01/03/2025 - Current]

- Acting as a supply chain and inventory planner for TRDs and shippers at LSPs at countries in EU and British territory.
- Lean Six Sigma Yellow belt project: Optimizing basestock level of consumables at various countries.
- Extending the scope of the model developed during master thesis in a larger scale operations using Databricks + Tableau
- Developing Power BI Dashboards to monitor and compare different LSPs and their five performance pillars including compliance and Quality. (via SAP, ATOMIC, VEEVA)

Amgen Europe B.V. - Netherlands, Breda

Intern - Global Distribution Hub (Spoke Management)

[03/02/2025 - Current]

Master Thesis: Predicting the impact on OTIF due to external disruptions in real-time using open-source intelligence to enhance visibility over distribution challenges and to adopt a data-driven pro-active approach. Pipeline: Web Scraping + Event Embedding + Neural Networks.

VDL Enabling Technologies Group - Netherlands

Student Intern - Supply Chain Engineering

[01/08/2024 - 17/01/2025]

Worked on "Predicting Risks stemming from Improper Packaging and Handling in Industries," using ML-KNN. The primary objective is to help purchase engineers to mitigate product quality risks through supplier communication and enable factory engineers to swiftly identify and address packaging-related issues using dimensional data.

Technische Universiteit Eindhoven - Netherlands

University Teaching Assistant

[01/11/2023 - 03/02/2024]

Assisted students in data modeling, microflows, nanoflows, and UI interfaces with the Mendix Studio Pro 10.4.1 to create web applications for the healthcare industry.

Tata Electronics Private Limited - India

Supply Chain Trainee

[01/06/2022 - 05/07/2023]

Acted as a supply chain analyst (Reported to GM directly). My scope was in Procurement from Intl & Loc

Suppliers asst.,Critical material updates, Should-cost reports,Alignment with Quality and Finance team, SAP - Purchase Order and Purchase Requisition creation & Welcomed freshers and new suppliers to the site.

EDUCATION & TRAINING

Masters in Operations Management and Logistics

Technische Universiteit Eindhoven [05/08/2023 - Current]

Country: Netherlands

The below link will give more insights into the knowledge that I have gained so far during my master's course at TU/e.

Gained Knowledge: https://azure-dionis-33.tiiny.site/

Bachelors in Production Engineering

P.S.G. College of Technology [01/07/2018 - 01/06/2022]

Country: India

Courses: https://files.fm/f/ds5cz64e8q

Thesis: Development of Squeeze cast self-lubricating Hybrid metal matrix composite (Al6061-CeO_2-MoS_2) to improve the Tribological and Corrosion resistance properties of Pneumatic Components
